# MACK 24 MONTHS WARRANTY.\*

ON GENUINE PARTS FITTED IN A MACK WORKSHOP

## You can trust Mack Genuine Parts.

They are as tough as your truck.  
With premium materials and precision engineering, they're built to take whatever the road can throw at them.

### GENUINE PARTS, ULTIMATE PEACE OF MIND

Like the reliability of a trusted handshake, Mack Genuine Parts and Mack authorised workshops go hand in hand. If a Mack workshop installs genuine parts in your vehicle, we'll double the warranty from 12 months to 24 months / 500,000km\* and cover the labour. If the part should fail, we'll not only cover the replacement costs of the faulty part, but also the cost of all other parts directly affected by the failure and any labour costs incurred (when the work is performed by an authorised Mack workshop). This guarantee ensures peak performance on the road and also saves you time, money and worry down the road. How's that for added value?

### FITTED BY EXPERTS

There's more to a genuine part than just the part itself. When you have a part fitted in a Mack workshop it's fitted by a top-class technical expert who knows your truck inside-out.

### THE RIGHT PART FOR YOUR TRUCK

Mack Genuine Parts are designed to work perfectly with the rest of your truck. No cheap imitation is ever going to fit seamlessly and work perfectly like a genuine part.

\*Limitations apply: 2 years (24 months) / 500,000 km.
